Gragg Delivers

Gragg works hard to provide quality leads to our clients, and we don't stop there. We work with admissions teams across the country to provide on-going training for lead management and conversion. Gragg will customize training on a campus-by-campus basis, helping our clients convert leads into starts. We also provide free monthly webinars for the entire career school sector. Gragg's philosophy is "Education and communication are essential to any successful partnership." We do our best to exchange valuable knowledge with our clients.
