Gragg Delivers

Now that you have a new website, you will want to keep it up-to-date for search engines. Once built, a website needs ongoing attention to keep up with the latest trends in Search Engine Optimization. Search engines constantly change how websites and keywords are ranked. Your school will need to stay on top of the key words prospective students are typing into search engines. Gragg will monitor and make changes to content, codes and tags to maintain quality lead generation through your website.
